“ June, Shirley, and Judy:

We are so sorry for your loss. I have many memories of growing up and spending time at your house playing with Judy and Debbie. Ruby was always so attractive and neatly dressed no matter where I saw her; and a very sweet lady.

You were blessed to have her with you as long as you have. She is in heaven with God now but you will have the beautiful memories of the life you shared with her until you meet again.

With love and prayers,

Bill and Jacquie (Burnell) Fultz

“ Judy and Shirley, Just found out Ruby has past away. I was always stopping to see them and the new house and never did. Never put off to tomorrow what you can do today. Lots of memories of supper with all of you, corn roasts, playing in the saw dust piles, climbing on the lumber stacks and to this day I have never eaten another lima bean. Oh yes and riding bikes. Ruby was the neat nick I have always wanted to be. a wonderful person and I was fortunate to have had her looking out for me and influence in my life. Deb Wilson

“ Mrs. Ruby Siron was a one of a kind class act who laughed out loud and put on airs for No One. She was proud of being a hard worker and having the conviction to speak her own mind, but always with respect for others.

My first memory of "Ruby" (and her beloved 'June') was when they bought the house next to us (from Ed & Patti Corder) on Hillview. I took cookies to welcome them and they insisted I come in...and meet their granddaughter, "Shari." She was just as charming as she was beautiful and I told her I had a very handsome and gentlemanly son I'd like her to meet when he returned from college. Ruby and I snickered and plotted, but "Shari & Keith" didn't need our intervention to date, marry, have children and live happily forever after.

I loved seeing Ruby & John down the hill together EVERY day, cleaning, laughing, cleaning, talking, cleaning....they sure liked clean windows, a clean house and being together!

Thank you Ruby for all your good influence on our precious Shari. Did you really make her fetch her own switch when she was being punished? Sounds a little harsh, but it sure worked because she loves telling endearing tales about "My Granny!!" Also, she is a successful, supportive and loving wife, mother & daughter in law!

Ruby made her transition one week after the birth of her great, great granddaughter, "AVORI." Ruby's sweet spirit, strength of conviction and love of life continues...
