“ I was not fortunate to have met all of the family but I did want to share some memories That I have of Shirley and Troy. They were the sweethearts of Townsend, Montana. You would see them walking down The street hand and hand, which always gave you such a warm feeling seeing a couple in love. My husband and I were having lunch with them one day and I complimented Shirley on her hair, she leaned over and whispered in my ear, it's a wig. I am sure you will miss them, and you were very lucky to have had them as parents.

“ There are so many memories even though I only knew Shirley and Troy since 2003. Where Troy was, Shirley there right next to him. Both excellent role models for a good marriage, parents, and stewards for country. 💙💙💙

“ Shirley was a lady. A beautiful soft spoken lady with a wonderful smile. She was always dressed beautifully. Every thing about her was soft and feminine. Her children saw that she got the best care possible. Rhonda and Leslie saw that her hair and nails and skin were well cared for.

They made sure her room was welcoming and decorated. They brought special treats for her to eat a donut or ice cream or a home cooked meal when they could. Covid came along and made everything difficult. Travel for Dean, Brent and Coleen was impossible. I hope they all find peace knowing they gave their all for mom. Bill and I are sincerely sorry for your loss.
