“ Dear Roger, Roger Jr., Heather and the entire family,

We are so sorry for your loss. Suzanne and I met in eighth grade in homeroom. Sat beside each other all through school from then on. Mar-Mar. Have always been friends. I so well remember when you and Suzanne started dating. I am thinking you told me riding home on the school bus one day, you really liked her.

Prayers for all,

“ Remembering growing up and going to school, Girl Scouts and playing at her home on Brushy Fork. Good memories of a wonderful person who always had a smile and kind word to share with others.
