

Thomas Paul Brown

December 26, 1945 - February 19, 2020

Thomas Paul Brown was born on 26 December 1945 in Buckhannon, WV and died 19 February 2020 at the United Hospital Center. Tom lived in Selbyville, West Virginia and formerly of Bridgeport, West Virginia. Preceded in death by his parents, Fleming and Nela Corley Brown, Tom was the fourth of six children. He joins his siblings Gwen Brown Fragmin, Delmas "Steve" Brown and Linda Brown Walker. Left to tell the stories of his youth are his brothers Larry Brown of Buckhannon and Cam Brown of Straw Plains, Tennessee. Tom also leaves behind two daughters to reminisce about his wonderful cooking, Renate Brown (and partner Jim Murray) of Oakland, MD and Kelly Brown Moran (and husband Jay) of Christiansburg, VA. His three grandchildren will strive to inherit and master their "Pawpaw's" "green thumb, Leslie Gaither and Rob Weatherholt of Ridgley, WV, Alayna Gaither and great-grandson, Eli of Morgantown, WV and Olivia Gaither and fiancée Tyler Porter of Petersburg, WV. In addition to his immediate family, Tom served as a mentor and friend to his many nieces and nephews and loved to joke with them. Tom was always talking about his many hunting adventures with his nephew Jeff Brown and loved his time spent enjoying meals and fellowship with his niece Kathy Fragmin Clohan and husband Jack.

The first of his family to graduate from high school, Tom enlisted in the United States Marine Corps and rose to the rank of Sergeant. He was a proud veteran deployed as a mechanic in Okinawa during the Vietnam War. Tom retired as a heavy equipment operator with IUOE Local #132.

Tom loved spending time in the woods hunting, feeding his forest friends, digging ramps and cutting wood. He was the happiest doing things for others and lived life fully. Tom was the envy of his neighbors and family because of his beautiful and plentiful garden by the river. He truly had a gift with working in the soil. Tom enjoyed sharing his knowledge of his Appalachian heritage by teaching all who were interested in such arts as canning, meat processing, making jellies, jams and homemade apple butter with his copper kettle.

The family would like to thank his neighbor, Rosalyn, for all of her assistance over the past months as well as the wonderful staff on the Fourth Floor at United Hospital Center, especially Lauren and Kim.

Respecting his wishes, Tom will be cremated. A graveside service with the Upshur County

Honor Guard having military honors will be conducted on Saturday February 29th, 2020 at the Salem Ridge Cemetery, Gaines, Upshur County WV starting at 11:00 AM. A gathering of friends of family will follow. In lieu of flowers, the family suggests that donations be made to the Salem Ridge Cemetery, Gaines, WV. “ Uncle Tom was a man of strong convictions. It was difficult if not impossible to change his opinions or emotions about any stand he had taken, but he also had a tender side. He showed his love by cooking, canning and sharing his bounty; the vegetables he grew, harvested and canned from his garden; the bacon and Italian sausage from his meat shop, the bear meat and ramps from the forest. We will always be grateful for the Gatherings he organized; Family Reunions, delicious Ramp Dinners and Apple Butter Making. He lovingly prepared for these events cooking for days. He lived each day to the fullest. Cancer treatments/feeling ill never effected his productivity. He continued planting, harvesting, canning and hunting. He was a worker Bee, he was one of a kind and we are grateful for the time we spent with him. He loved his family and was proud of them. He is home now watching us from Heaven. We love and miss you....Jack & Kathy
