May the Lord wrap his arms around and comfort this Family. I remember as a child going to visit her I always thought what a beautiful lady she was in everyway. She was so pretty and always made sure you ate well when you came to see them. Tressie believed in helping take care of this community in every aspect. It was very important to her to help out and make sure we had a Libary available in this area. She will be sadly missed. God has gained another beautiful Angel
