“ Olive, Mike and Adrienne, Our memories of Vonda go back years. We are praying for God's love and comfort to uphold you during this time. I remember when I was in the hospital and she came to draw blood. She drew the 1st tube and had to wait awhile for the 2nd. We talked about our softball days to adulthood. She loved her family with her whole heart. **CHERISH THE MEMORIES!**

“ My condolences to all of Vonda’s family. I have very fond memories of Vonda. She was great fun and so bright . I will always remember her feisty personality, strong character, and zest for life. One of my lasting memories of her was her climbing up the basketball hoop, shimmying back down at a track practice at BUJHS while constantly talking about Mike Allman. (Who knew her deep crush would be a lifetime bond.) it was so funny. She was great gal, she will be missed.
