*Carol, I feel terrible, we live so close and I had no idea this had happened. He was such a nice man and will be missed not only by his family, but all the people who knew him. I'm sorry I'm so busy with my own husband I don't know what is happening a block away from me. If there is any thing I can do ,Please call me. Your family had close ties to ours for all these years. this breaks my heart. God Bless and I hope God made a special place for him in Heaven.*

“ *Ellen, Carol, and the rest of the Walton Family. Sorry to hear about Willis. He will be missed greatly. Last I saw him was either Ellen's birthday party or Walton Reunion and we talked a little bit. Very nice guy and well liked by everyone. He is now in Heaven and free from pain. Remember all the good times and memories you have of him. Some day we will all see each other and what a reunion that will be. My thoughts and prayers are with you all in your time of sorrow. Love your cousin, Carolyn & Joel*
